

# Disability Statistics and Data: Taking stock of the recent work of the Disability Data Initiative and looking ahead

This workshop will evaluate the recent efforts of the Disability Data Initiative to produce disability data and statistics. It aims to provide a collaborative space for disability advocates, policymakers, and research communities to develop ideas and establish research priorities

 **Tuesday, 10 Sept. 2024**  
**From 10 am to 1 pm**

 **Campus biotech**  
**Chem. des Mines 9, 1202 Genève**
